Benjamin Davis
6970 SE Kiwi Ln
Riverton, KS 66770-4157 United States
Mobile: +16202151547 - Ext:
Email: benjaminleedavis007@gmail.com

Work Experience:

New York University Abu Dhabi
509 1/2 S Main Street
Galena, KS 66739-1219 United States

09/2020 - Present
Salary: 60,000.00 USD Per Year
Hours per week: 40
Research Associate
Duties, Accomplishments and Related Skills:
Center for Astro, Particle, and Planetary Physics (CAP3) Fellow
Supervisor: Andrea Maccio (+97126284386)
Okay to contact this Supervisor: Yes

Swinburne University of Technology
Mail Number H20, PO Box 218
Hawthorn, Victoria Australia

08/2016 - 07/2020
Salary: 93,896.00 USD Per Year
Hours per week: 40
Postdoctoral Fellow
Duties, Accomplishments and Related Skills:
Reducing and analyzing galaxy images via bulge/bar/disc decompositions. I will be responsible for modeling the radial distribution of optical and/or near-infrared stellar light in nearby (less than 200 Mpc) galaxies with an emphasis on discoveries and publications related to the (central black hole)-(host bulge) connection and/or compact massive spheroids and/or galaxies with partially depleted cores or additional nuclear components.
Supervisor: Alister Graham (+61392148784)
Okay to contact this Supervisor: Yes

Arkansas Tech University
1701 N. Boulder Avenue
Russellville, AR 72801-2222 United States

08/2015 - 05/2016
Salary: 49,500.00 USD Per Year
Hours per week: 40
Visiting Assistant Professor of Physics
Duties, Accomplishments and Related Skills:
I taught Introduction to Physical Sciences, Introduction to Physical Sciences Laboratory, Physics I Laboratory, Physics II Laboratory, and General Physics II.
Supervisor: Jim Musser (+14799680361)
Okay to contact this Supervisor: Yes

University of Arkansas
825 West Dickson Street
Fayetteville, AR 72701 United States

08/2015 - 12/2015
Salary: 9,000.00 USD Piece Work
Hours per week: 20
Visiting Assistant Professor of Physics
Duties, Accomplishments and Related Skills:
Taught University Physics I and supervised its laboratories.
Supervisor: Julio Gea-Banacloche (+14795757240)
Okay to contact this Supervisor: Yes

Education:

University of Arkansas Fayetteville, AR United States
Doctorate 5 /2015
GPA: 4.0000 of a maximum 4.0000
Credits Earned: 117 Semester Hours
Major: Space and Planetary Sciences
Relevant Coursework, Licenses and Certifications:
Visiting Student Research Program Intern at the Jet Propulsion Laboratory (2011).

Pittsburg State University Pittsburg, KS United States
Bachelor's Degree 5 /2008
GPA: 3.9397 of a maximum 4.0000
Credits Earned: 199 Semester Hours
Major: Mathematics and Physics **Minor:** Music **Honors:** Magna Cum Laude

---

Job Related Training:

Visiting Student Research Program Intern at Jet Propulsion Laboratory (2011)

Language Skills:

Language	Spoken	Written	Read
English	Advanced	Advanced	Advanced

Affiliations:

ARC Centre of Excellence for Gravitational Wave Discovery - Affiliate
LISA Consortium - Member
